It's your job to confess these sins and stop believing in them. Wash your dirty feet. That said, some of you still need a bath! And in order to have a bath you need to finally believe on Jesus for real with your whole heart. Believe that He is God the Son who came to die for your sins and was raised from the dead. Do it! Go for it with all you have. If you need help on this matter pray to God, your Maker.

Uninstall these sins from your soul. Then find Jesus' commands of the New Testament and install His commands into your soul.

Stopping believing in sins and start obeying in Jesus' commands creates full repentance. Repentance means to change your mind, change your cerebral mind and your heart's mind. And that change of mind is a change in beliefs. You change your belief in sin to belief in Jesus. Stop believing that sin is ok or good to do. Stop believing these 666 sins of the Bible are ok or good to do. But you first need to learn exactly what these sins are. From experience, the sins that you do not have clarity about are usually the ones you are likely doing the most. See if that's true for you as well.

Repentance doesn't mean saying you're sorry. Who came up with that "saying sorry" concept in the first place?

Here is the process of repentance: You first learn that a certain thing is a sin. Or you go aggressively search out knowing and understanding of what's a sin starting with the sins list below. Then with God's help, you look into your soul to see if you've been doing that sin. You may need a dictionary and the Interlinear Bible with Strong's numbers to know what individual words mean to understand what that sin really is. Look at the corresponding Bible verses from the List of 666 Sins of the Bible PDF or Spreadsheet from our site HowtoRepent.org.

Finally, admit that sin. Yes, Get rid of that nasty pride junk. Pride is a mess and it's embarrassing to have. Just get rid of it. Be free of that weird pride, dope. (Pride is kind of like a drug or sugar high isn't it). Pride is cringeworthy when you see someone else have it. Yes. Yuck. Vanquish pride from your soul and smash it any time it tries to creep back in. Ok back to the process of repentance: Now just fess up that sin. Admit it! Rip off the band aid! Get it over with and out. It's kind of like puking when you feel nauseous; it's a nasty process but you feel better when you get that puke out of your system.

Yes. Good things happen to those who fess up their sins to God, but bad things happen when one tries to hide their sin, that relationship offense to God.

Now there's more to this repentance process. Now go further down into your soul and find when you first believed in that sin - because that's the root of that nasty sin. So now take an axe to that root by completely admitting that, that sin is

wrong and bad in all ways, in all shapes and in all forms. And whammo! That sin, that sin belief, will be removed from your soul and all of its nasty manifestations, its tentacles, its weed branches; its roots. Victory!

But wait! There's more! You need to change your beliefs in the commands of Satan (these sins) to then believing in the commands of Jesus. For you only do a sin because you believe in that sin, whereas you believe that sin is ok to do, that it is something you can get away with or even that it is something good to do. Yes, you picked up these sin beliefs after having been tricked by the ways of the world, rules instituted by the commands of Satan and even thoughts injected or whispered in your ears by nasty demon creatures.

So yes. Maybe you never heard. Salvation is in confessing Jesus as Lord which means you are admitting He is Lord which means you are admitting that you need to do what He says. Doesn't Jesus Himself say "Why do you call me Lord Lord and do not do what I say?..." (Luke 6:46). So full repentance gives you a change of lord whereas you stop obeying Satan & Sin as lord but now you obey God and Jesus as Lord.

Wait! There is one more thing. Don't be your own lord. Don't make your belly your god. If you are your lord then Jesus isn't your lord. If you, (your soul or your flesh) are directing your life from moment to moment instead of God, Jesus, the Holy Spirit then you have become your own lord. That's a problem, a big problem. If you make yourself lord and god then you are technically a Satanist since making yourself god is the cornerstone of Satanism.

"For as many as are led by the Spirit of God, they are the sons of God." Romans 8:14

So have God Almighty be your Lord, your director of life, even moment by moment. Think about it; you get to have God Almighty Who has infinite knowledge, infinite wisdom, infinite understanding and infinite power be your eternal life success coach, in a sense! Now that's a mindblowingly good deal! So stop listening to the world. Believe God from His Word. Believe on Jesus with your whole heart and that He was raised from the dead. Get to work building your eternal wealth, your treasures in Heaven! Don't waste another moment.

And oh yes, every sin you do counts. Sins are a relationship offense to God. When there's an offense in a relationship there is a closing off of that open channel of trust and good times. Think about your relationship in marriage if you've been fortunate to have such an experience of marriage for more understanding on the matter. Yes. There are many, many warnings to those who keep sinning, who practice lawlessness and who don't obey Jesus' commands.

Yes, you have to obey Jesus commands. He's the King. The King gives the law. And if you don't Obey Jesus then you are a worker of lawlessness. And what happens to a worker of lawlessness? They are thrown into the outer darkness for eternity where there is a weeping and gnashing of teeth. That is not good. So,

lets you and I not mess around with matters of eternity and let's obey Jesus! Let's put His sayings into practice. Let's turn His commands of the New Testament into our beliefs which will then make them our habits. Let's build our house on a rock instead of the sand. Let's become the 4th seed.

Your choice of lord dictates where you will spend eternity. So, stop obeying Satan and the Anti-god called Sin and obey the God of Heaven, the Creator of Everything through His Word, God the Son, Jesus the Messiah.

If you have questions on this matter, read the Bible and believe what the Bible says. Ask God directly. Ask, seek, knock. Ask your One and Only Teacher, Jesus, for help; Ask Him for answers. And then listen up!

Get rid of these sins as fast as you can, if not immediately.
